<b>Thema:</b>	<b>Virginia Woolf, Her Life and Works</b>
<b>TMD: 4053</b>	
<b>Kurzvorstellung des Materials:</b>	<ul style="list-style-type: none"> <li>• Virginia Woolf is one of the most famous twentieth-century novelists. She was a modernist, using new, explorative techniques in her writings. Even before she became a well-known writer, she was at the centre of the Bloomsbury Group, a circle of literary and artistic friends in London. This short biography tries to give an overview of her life and works, followed by a more detailed discussion of <i>To the Lighthouse</i> and <i>Orlando</i>.</li> </ul>
