

Hans Christian Andersen

A vibrant illustration of Hans Christian Andersen characters in a forest at night. In the center, a young man with blonde hair, wearing a white tunic with a red collar and red pants, stands with his hands on his hips. To his right, a prince in a blue uniform with gold epaulettes and a crown stands with his hand on the blonde man's shoulder. In the foreground, a fox is visible. The background shows a village with a church and a hot air balloon under a starry night sky. The scene is framed by dark tree silhouettes with glowing light effects.
