B Family and friends

B1 A birthday present for grandma

1a Lesen Sie die E-Mail von Jenny an ihre Schwester Laura. Verbinden Sie dann die Fragen mit den Antworten.

Hi Laura,

How are you? I hope you and Steve are fine. What's the weather like in Miami now? Is it hotter than here? I don't think so. 😊
It's so hot and sunny here in Italy. We spend the whole day on the beach. The children are really happy here. They eat a lot of ice cream, and they play beach volleyball with their new Italian friends. And they are learning Italian! They can say pizza, spaghetti, gelato... They think they are really clever! 😊

I'm writing now because of grandma's 90th birthday. You know about the big family party in October? We need a really special birthday present for granny. How about a family tree with her children and grandchildren? She can hang it on the wall. What do you think? And I need your help, little sister. Of course I know a bit about the family, but not about mum's sister, Louise. I think she is famous. Do you know anything about her?

Bye for now,

Love from Jenny

- A** I'm sure Lynn loves the beach too. Did she buy a bikini with the money I gave her for her 14th birthday? 🍷
- B** I'll tell you what I find. Bye for now, and enjoy the sunny days!!! ☀️ Love from your little sis
- C** Hi Jenny, good to hear from you! And to hear that the children are enjoying their holidays. I always think that Ewan can't live without wifi. But beach volleyball is so much better than video games.
- D** Please send some pictures of all of you on the beach. And yes, I think your idea is great! We know that grandma and grandpa have two daughters. But we know very little about our aunt Louise. I think she is famous now. She studied American literature and worked as a waitress.
- E** I think she worked at the Café del Sol in L. A., but she left her job 20 years ago, and I have no idea what she is doing now. Let me see if I can find her on the Internet.
